June 11, 2008

An invitation to the 6th Triticeae Symposium in 2009

As the Local Organizing Committee, we invite you to join your colleagues at the **6th International Triticeae Symposium** which will be held at the Kyoto University Conference Hall in Kyoto, Japan, on June 1-5, 2009.

The main themes of the meeting will be:

Systematics and Phylogeny
Domestication and Evolution
Biodiversity and Genetic Resources
Genomics and Breeding

The Scientific Program includes invited special lectures, short oral presentations and poster papers. One free day (Wednesday) will be programmed to participate in tours to a famous temple, a Triticeae gene bank in Kyoto University and a 'Sake' company in Kyoto. The Local Organizing Committee invites you to enjoy this meeting and welcomes any suggestions on the Scientific and Social Programs.

We look forward to welcome you all in Kyoto, Japan.
